Manufacturing Assessment & Solutions Seminar

Wondering how to improve your companies
profitability and productivity?

Let our combined 100 years of experience help you!

We will come to your facility for a two hour low cost seminar and assessment applicable to your management, quality, human resource, maintenance, engineering and techs.

Our manufacturing experts bring to bear on your most challenging problems, covering a wide variety of manufacturing specific challenges, the tools and training available from us to address and solve them. Covering everything from Kaizen, FMEA, Time Management, Grants, Gov. Contracts, Regulatory Compliance, Venture Capital, Stress Management, Maintenance, Marketing, Performance Management, Human Resource offerings and much more.

We will walk you through a thorough business and manufacturing assessment to provide the baseline for an ACTION based Strategic Plan.

You will receive the cost of this seminar and assessment back, if you are not satisfied with the content and value offered.

Limited Time Offer: ONLY \$200
